

BOAT07: SIMS BOAT INDUCTION < 7.5m - OFFWATER

Inductee: I am a registered SIMS boat user and have received a detailed dry induction to familiarise myself with the research vessel _____.

This research vessel is similar to other vessels that I already competently operate / or I need to organise an on water induction with the Scientific Boating Officer or other appropriate staff member.

Inductee Name:

Signature (date):

Inductee and Inductor to initial the skills and knowledge in which competence has been demonstrated.
